The Best Care With SNUH

INTERNATIONAL HEALTHCARE CENTER

Seoul National University Hospital

SNUH SEOUL NATIONAL UNIVERSITY
HOSPITAL

Welcome to IHC, SNUH

International Healthcare Center (IHC)

at SNUH has striven to provide world-class medical
care and services since 1999. The knowledge and
experience we gained by assisting overseas patients
has instructed us on making your time here at IHC,
SNUH as comfortable as possible.

We remain committed to providing comprehensive
and high-quality medical care for the global
community.

What Sets SNUH Apart?

Korea's Very First and Most Prestigious Public Hospital

- Korean medical heritage
- The top referral hospital in Korea
- The official hospital for treating the President of Korea

High Caliber Human Resources

- The best medical college in Korea
- The most eminent academy for nurturing top medical personnel
- Publishes more than 2,000 SCI research papers per year

The Most Recognized and Reliable Hospital in Korea

- Consecutively ranked 1st in the Korea Brand Power Index survey
- The first hospital accredited by the Korean government
- Presented the 2013 Medical Korea Award by the President of Korea

Leaders in Global Health Business

- Consignment Manager of UAE Royal Sheikh Khalifa Specialty Hospital
- Provides hospital management consulting to China's Yanji Hospital
- Provides hospital IT system for six hospitals in Saudi Arabia
- Leading the way in global education & training

Because Your Health Matters!

International Healthcare Center of SNUH
